Dear Mr. Steinman,

We wish to thank you for the "Area Rugs" Tent Sale you recently hosted in our mall parking lot.

It added to the shopping choices for our customers, the set-up looked professional and was professionally run by the father/son team of Terri and Jamie Phillips.

In fact, we had good responses from our mall shoppers and no complaints.

We would certainly enjoy having you host other tent sale at the mall.

Sincerely,

Christine Vigneault
