RE: Barry and Sharon Johnson

Dear Mr. Steinman:

Barry and Sharon Johnson, SCI Magic Carpets, have set up on our parking lot several different times. Their display is very professional and their way of conducting business is nothing less than professional. They are always mindful of our needs and work hard to meet those needs.

They are a delight to have in our parking lot and we look forward to their return.

Sincerely,

A handwritten signature in cursive script that reads "Denisa Faustner".
